

A Grape Idea for Pizza

Hello, everyone. My number is _____. Today I'm going to read you a story. It's called "A Grape Idea for Pizza."

One day, Zack wanted to make a pizza. He told his mom, "I can do it! I am a good cook!"

Zack put the pizza dough on the table. He spread tomato sauce on it. Then he added cheese, pepperoni, and grapes! "This will be the best pizza ever," he said.

His mom looked at him, very confused. "Grapes on a pizza?" she asked. "Why! That's so weird!"

"Why not?" Zack said with a big smile.

Zack put the pizza in the oven. After a while, he took it out. The pizza looked... strange. The cheese was okay, but the grapes were squishy. Suddenly, they popped and made the pizza all wet.

Zack took a bite. "Hmm, it's not bad!" he said. Then

he tried another piece. The grapes were sticky. The pizza began to stretch like bubblegum!

Zack's dad laughed. "This is a very funny pizza!"

Zack laughed too. "Next time, I will make a better one," he said.

His mom smiled. "Maybe no grapes next time?"

"Okay," Zack said. "But I will try gummy bears instead!"

The whole family laughed and ate cookies instead of his grape pizza. Zack said, "Being a cook is fun. Next time, I'll make the best pizza ever... or at least the funniest one!"

Thank you for listening. Have a nice day.
